

STRAIGHTPATH
INTERNATIONAL SCHOOL

PROJECT OBJECTIVES

To establish an International School with an intention of transforming the community of learners as ideal and responsible citizens

To promote dissemination of qualitative and value based education with unique mix of novel teaching practices and state of the art infrastructure

To create a clean, safe and vibrant campus that enhances student experience and enables holistic development

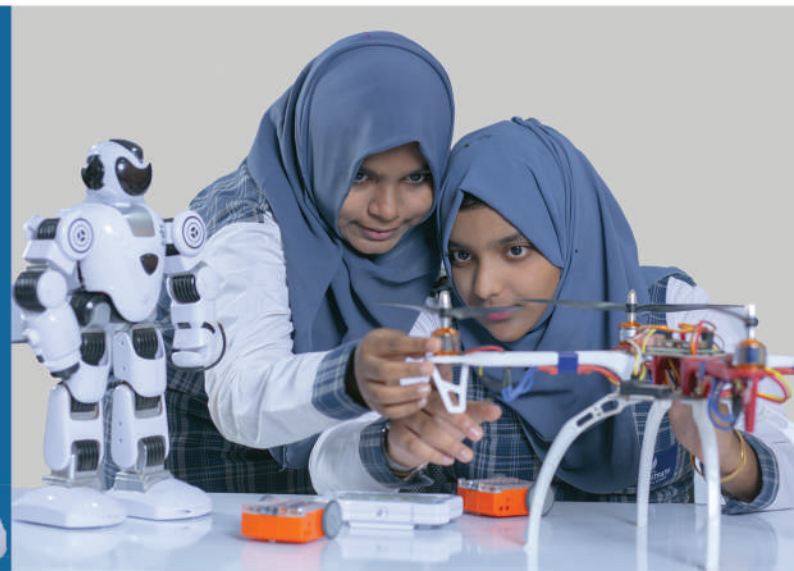

To establish a world class School of Qur'an where students are provided with pleasant atmosphere to learn Qur'an along with general education

PROGRAMS

Kindergarten

Primary to Secondary
Schooling

Integrated Plus Two

VISION

Transforming our students as responsible and engaged citizens who are enlightened with values, and empowered with knowledge.

MISSION

Providing a harmonious and innovative learning environment where our learners community is prepared to unleash their potential and to accomplish excellence.

PROJECT LEADERSHIP

Mr. Abdul Gafoor Mattath

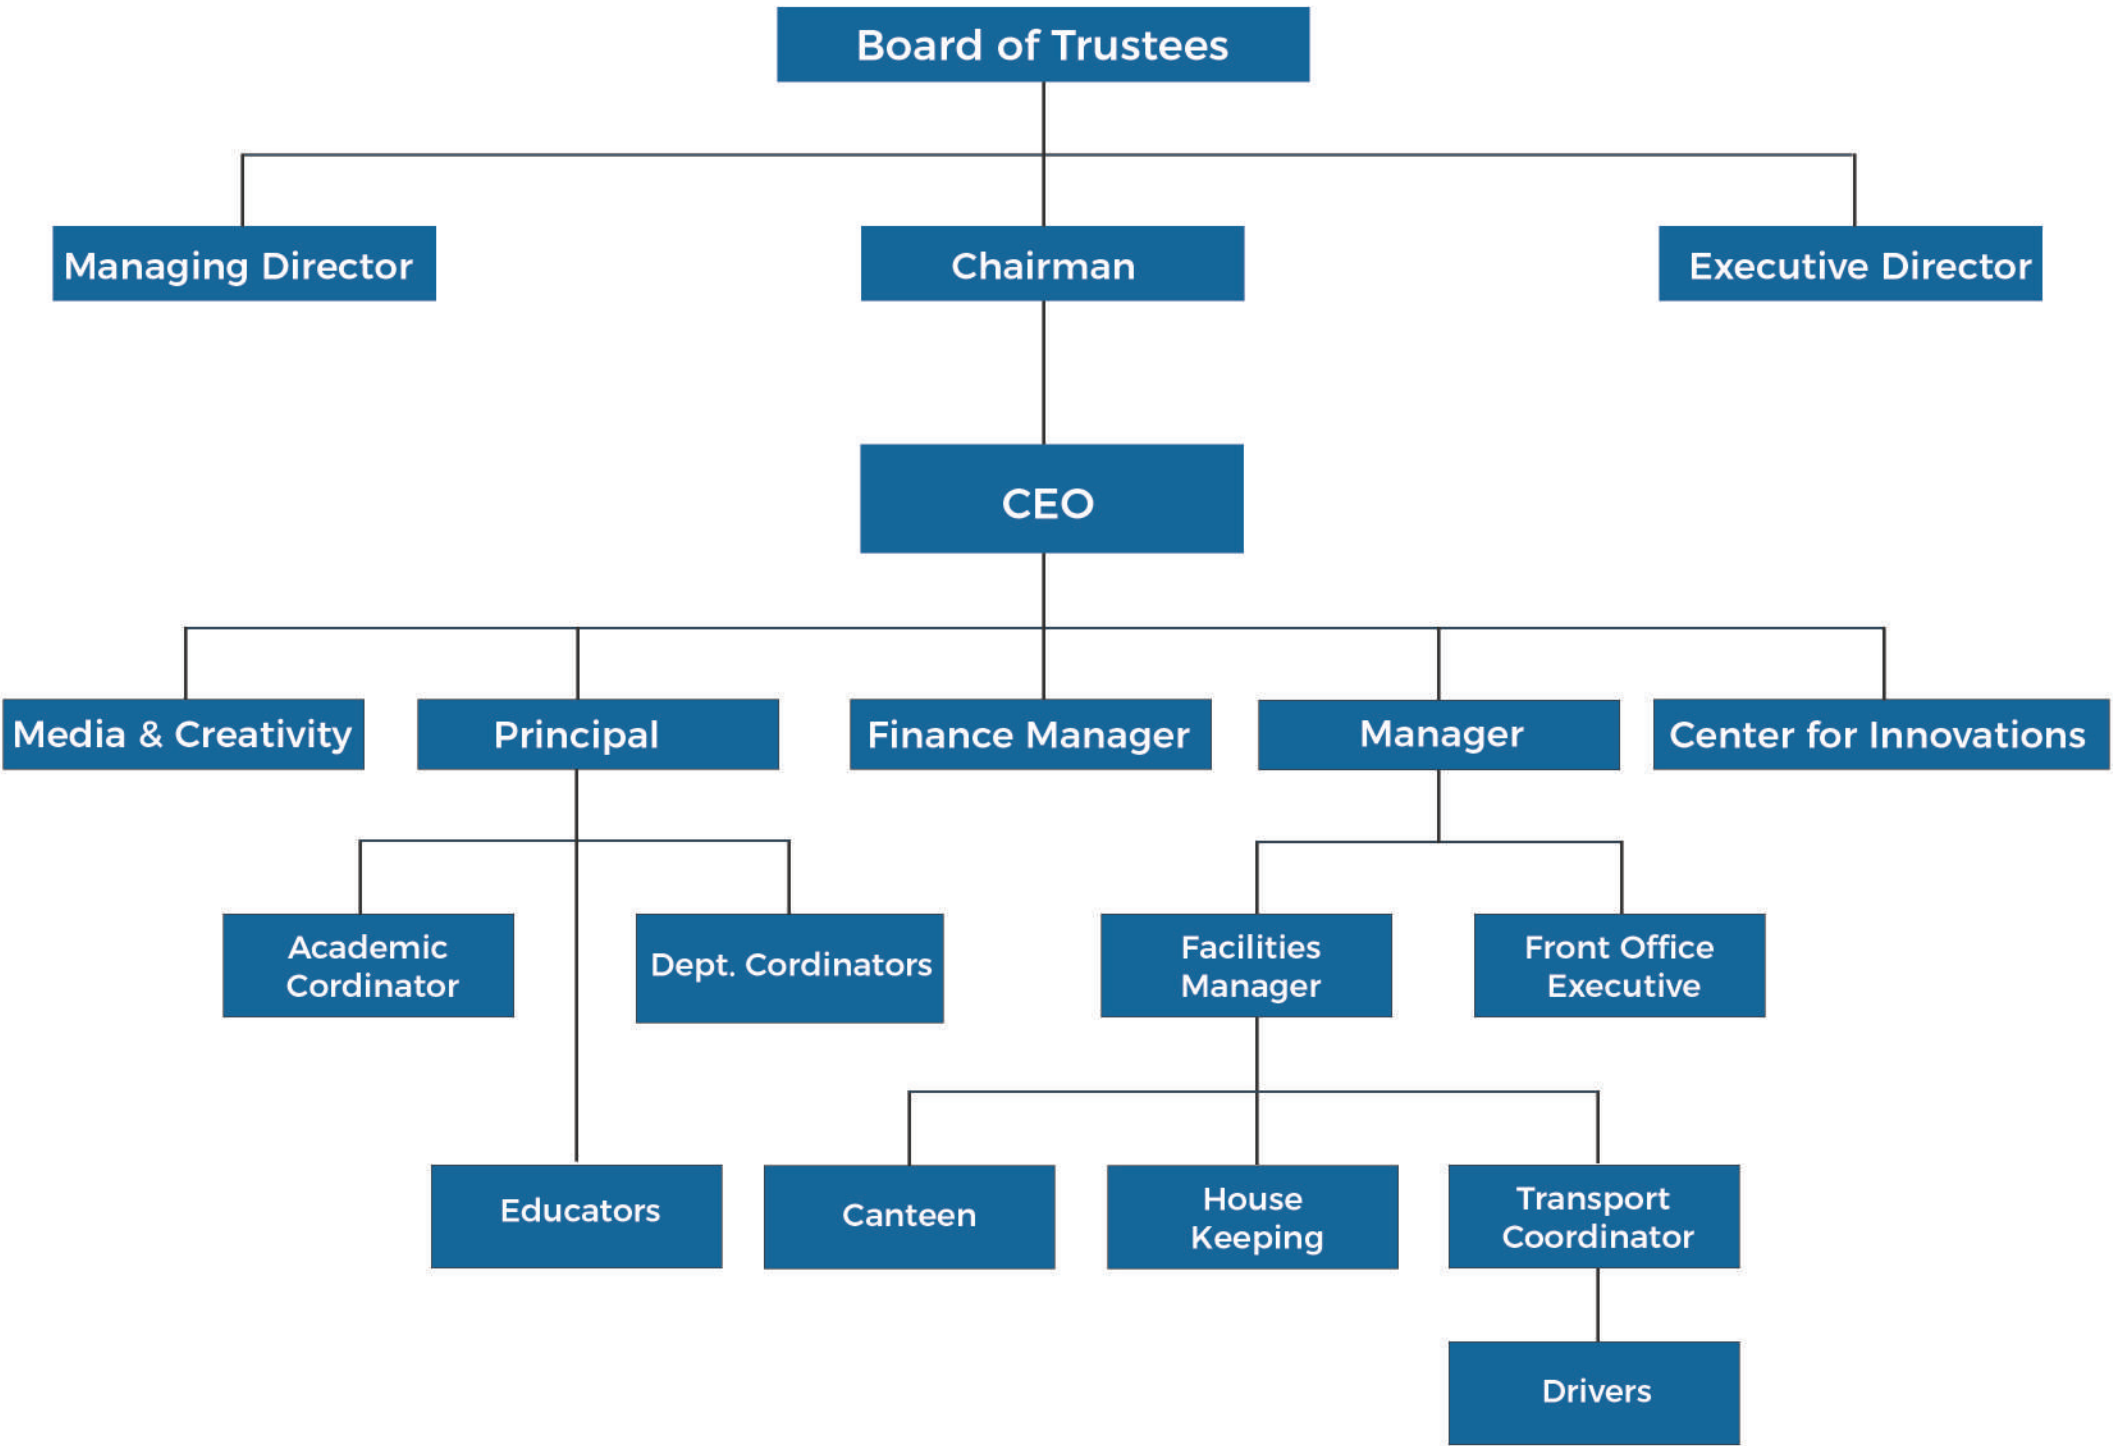

Mr. Ismaeel Avayil

Mr. Abdul Rasheed

The background is a solid blue color with a repeating pattern of white line-art icons. These icons represent various educational fields: science (rocket, atom, microscope, globe), mathematics (ruler, pencil, compass, triangle), arts (musical notes, paint palette, camera), and general education (books, speech bubbles, lightbulb, apple, soccer ball).

ORGANIZATIONAL CHART

WHY STRAIGHTPATH?

Academic Quality

Value Education

Mind-Body Fitness

OUR UNIQUENESS

S-TALK

This is a constant effort to cast orators through advanced coaching and training.

Happiness Period

This is sheer experience of happiness rather than practicing skills. The traditional games and little act of kindness instill love, care and compassion.

Kalagala ARTS FEST

Kalagala is a festival of massive talents to cater to the aesthetic aptitude of the students.

MPath

This is a constant effort to cast orators through advanced coaching and training.

The happenings and events of the school are written and narrow-casted within the campus.

ROBOTICS PROGRAM

The Robotic labs give students colossal exposure to the working of AI in their early stage of development.

RAFTAR SPORTS MEET

Raftar is a program to seek new speed, height and length. It is a platform for the students to realise their hidden potential.

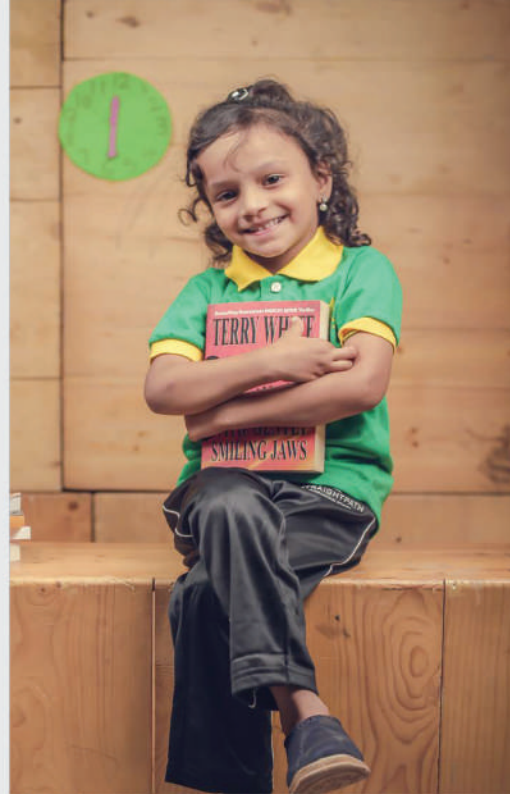

Targeting mental and physical health to build a better class of intelligent and healthy students.

STRAIGHT RADIO

Helps to experience the art of radio communication. Games, music, news and academic activities are incorporated to educate and entertain the students.

It is a unique concept to plant the seeds of civil service in our students at an early age and also to inspire the future IAS aspirants.

The Programme aims at integrating the learning with the elements in nature

A period a day is allotted to train students to be an effective teacher. The program instills confidence and self-esteem and makes them better communicators

ACADEMIC & SUPPORT FACILITIES

Land Area of 5.8 acres

21 Class Rooms

Mini Seminar

Prayer Hall

Science Lab

Computer Lab

Robotics Lab

Kitchen and Dining Area

SPORTS FACILITIES

Football Ground

Indoor
Multi-Purpose Court
